

The IACAC Professional Development Committee is excited to roll out a new initiative in the fall of 2019. IACAC Counselor Updates are a single-day event that provide high school counselors with updated information from various institutions and agencies. The day includes a wide variety of sessions and a Counselor College Fair. Our goal is to host a professional learning one-stop-shop, similar to what happens during an IACAC Conference. This event will cost \$10 for high school counselors and offer PGP points. Two locations will be rolled out this fall with more to come in 2020. This year we are excited to host Counselor Updates at Valparaiso University on Monday, September 16 and IUPUI on Tuesday, September 17. Watch for more information as registration will open in July.
