

2019 SUMMER PROGRAM OFFERINGS FOR HIGH SCHOOL STUDENTS

As a benefit of membership, College and University members are welcome to post events and programs that are planned for high school students during summer 2019.

A list of these events will be posted on the Resources page of the IACAC website.

Please provide the following information in this format. Please do not send the brochure for your event. You may provide the link below. Please provide a separate sheet for each program / event.

College / University: **Purdue University, Division of Summer Session**

Name of Program / Event: **Summer College for High School Students**

Description of Program / Event (100 words or less): **Experience the excitement of college life, take courses with world-renowned faculty, explore academic majors, and put yourself on a pathway for success! Taking online or on-campus courses during summer allows high school students age 16 and older to experience college life by completing coursework alongside current undergraduate students. Students have access to more than 650 courses across academic disciplines during Summer Session so there's no better time to get a jumpstart on your college experience!**
