

Study in Wales, UK – University Tour for US High School Counsellors

July 22-27, 2018

The British Council is joining forces with Universities Wales and the Welsh Government to offer a counsellor tour of universities in Wales, UK. The tour is open to applications from college guidance counsellors who represent student populations interested in studying abroad in the UK.

This week-long tour will see counsellors visit the 8 universities in Wales, including Cardiff University, Swansea University, Aberystwyth University and Bangor University. In addition to university visits, a seminar will be held on studying in the UK. There will also be some opportunities for sightseeing, with visits planned to Cardiff Castle and Snowdonia National Park.

The tour is designed to ensure participants experience a range of educational institutions, that they are primed to understand the workings of UK admissions processes, and that they experience the best introduction to studying in the UK.

Deadline to apply: June 22, 2018
