

2018 SUMMER PROGRAM OFFERINGS FOR HIGH SCHOOL STUDENTS

As a benefit of membership, College and University members are welcome to post events and programs that are planned for high school students during summer 2018.

A list of these events will be posted on the Resources page of the IACAC website.

Please provide the following information in this format. Please do not send the brochure for your event.
Please provide a separate sheet for each program / event.

College / University: University of Dayton

Name of Program / Event: Entrepreneurship 101 Summer Program

Description of Program / Event (100 words or less): During this two-week residential program, you'll learn more about entrepreneurship, including the idea generation process, the Lean Canvas Model and elevator pitches, all while experiencing life as a UD student and exploring the local Dayton community. Entrepreneurship 101 will focus on a combination of lecture, engaging class exercises, site visits and guest speakers. You will collaborate with diverse UD faculty, staff, students and local, successful entrepreneurs to expand your working knowledge of the entrepreneurship field. Students will receive three credit hours, which will serve as an entrepreneurship elective if you attend UD as an entrepreneurship major. Credit may transfer to another institution.

Dates: June 17-29 2018

Who is eligible: rising Jrs and Srs, First Year college students, International Students, 2.5+ GPA

Cost: \$3,000

Describe scholarship opportunities, if any: None available.
